

SARP Membership

NRC on Pomegranate brings to the kind notice of all the stakeholders of pomegranate industry that a “SOCIETY FOR ADVANCEMENT OF RESEARCH ON POMEGRANATE (SARP)” has been registered under Societies Registration Act, 1860 with the efforts of NRCP.

Please register yourself and become an active member of the society.

Objectives:

- I. To promote overall development of pomegranate in different agro-climatic regions of India.
- II. To establish and promote linkages with the stakeholders associated to pomegranate industry.
- III. To organize seminar/symposium/ conferences/ group meeting/study tour/brain storming sessions, etc.
- IV. To disseminate the recent advances made in pomegranate research and development through various print and electronic media.
